

GROWING FROM STRENGTH TO STRENGTH AND MAKING A DIFFERENCE

ARBOR MONTH

WHAT YOU DO MAKES A DIFFERENCE, AND YOU HAVE TO DECIDE WHAT KIND OF DIFFERENCE YOU WANT TO MAKE.

Jane Goodall-Primatologist and UN Messenger of Peace

ARBOR MONTH

In Arbor month we made a difference. Dr. Setumo, with volunteers planted 340 trees to beautify the town of Senwabarwana in Blouberg Limpopo.

ELEPHANT RELOCATION

ERP has supported the relocation of two bull elephants from Dinokeng Nature Reserve, that were under threat of culling, as a result of their habit of breaking fences. They have been successfully relocated to Zinave National Park in Mozambique, where they will roam safely and freely in future.

SUPPORTING ORPHANS AND THE ELDERLY

Thanks to EPI-USE staff's fundraising efforts to benefit the community at Kekana Gardens, adjacent to Dinokeng Nature Reserve, we were able to provide plates, mugs, cutlery along with food parcels to Bothokwa Bja Ngwana Orphans Day Care Centre and Seikokotlolo Old Age Home.

HUMAN-ELEPHANT CONFLICT

Providing a line of beehive fencing between Kwazulu-Natal and Mozambique has to date successfully prevented elephants crossing into the Gazini community in Kwazulu-Natal. At the same time beehives have provided an on-going income to the subsistence farmers and this has encouraged us to expand the project into a wider area in the future. Beehive fencing will now be deployed in Dinokeng.
