## MANDELA DAY

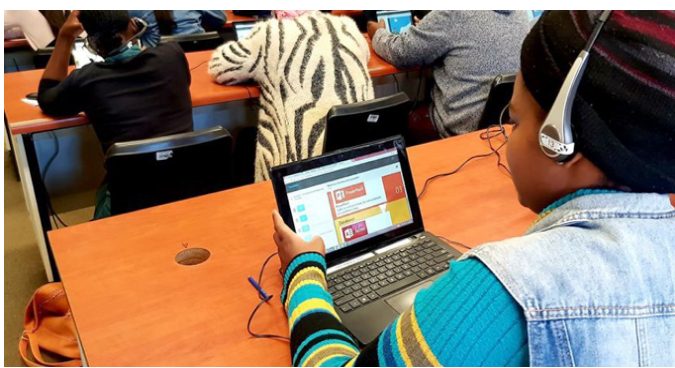

### CELEBRATING MANDELA DAY WITH THE ELDERLY IN KEKANA GARDENS

#### MANDELA DAY CELEBRATIONS IN KEKANA GARDENS

This year, we converged at the Pfaranani Skills Training Centre for Mandela Day. In collaboration with South African National Civic Organisation (SANCO) and MACO, a local youth drama group, over 200 elderly people and youth converged at the centre for the day. We donated 115 blankets to the elderly along with food hampers, in addition to treating them to a light meal and entertainment.

Our beehive fencing group were also able to share their initiative and experiences in beekeeping with those present. Many thanks go out to EPI-USE Africa and Housing Investment Partners, and all who were involved for their support and ensuring this day was a success.

#### ERP IMPLEMENTS MICROSOFT LEARNING PROGRAMMES

In July, we kick started a Microsoft Learning Programme at Pfaranani Training Centre in Kekana Gardens. This is in partnership with the Gauteng Premier's Office, and the learning programme was being implemented 1 day a week by Harambee Youth Accelerator. The training ran through out July and was targeting the youth within the area, who are most vulnerable to substance abuse due to a high level of unemployment.
